

Government College University Hyderabad

Section Department of Computer Science CS :

Introduction

Department of Computer Science has always played leading role in academic and extracurricular activities of the university. The department has well equipped laboratories with latest facilities with highly qualified and well trained and experienced, enthusiastic and devoted faculty members. The teaching has been carried out through multimedia along with different tactics like activities, group discussion etc.

Vision

Department of Computer Science carries the vision to be recognized as the professional and scientific leaders of the society by providing conducive and innovative teaching, learning, and research environment to encourage innovation and entrepreneurship.

Mission

Our mission is to prepare self-reliant and skilled professionals with urge for continuous learning in order to contribute to society by providing effective learning and research practices, global engagement, and experiential as well as interactive practices combined with industry and society needs.

Goals

To realize our vision we must achieve the following goals:

Undergraduate Program

The goals of our undergraduate programs are to :

1. Teach students how to use computers effectively, creatively, and intelligently;
2. Teach Information technology as a multifaceted, humanistic discipline of problem solving;
3. Provide up-to-date curricula in the technical and scientific knowledge needed for the professional and academic goals of our students;
4. Encourage and participate in interdisciplinary undergraduate educational opportunities at GCUH;
5. Teach students how to acquire new knowledge, independently, in a world that changes with ever increasing rapidity;
6. Provide students with experiential learning opportunities;
7. Educate an increasing number of undergraduates in CS to meet the growing demands of the regional and national economy

Graduate Program

The goals of our MS and PhD graduate programs are to :

Offer a high quality flexible graduate curriculum with an emphasis in Intelligent Systems;

Encourage and participate in interdisciplinary graduate educational opportunities at GCUH

Teach our students how to extend the frontiers of Information technology knowledge;

Support high-quality faculty research programs;

Academic Programs Currently Offering

BS Computer Science (4 Years)

BS Artificial Intelligence (4 Years)

BS Data Science (4 Years)

Proposed Academic Programs

PhD Program

Faculty Members of Computer Science CS:

	Prof. Dr. Imtiaz Brohi	Professor & Chairman
	Mr. Tariq Hussain Jalbani	Associate Professor

	Mr. Syed Sohail Ahmed Shah	Assistant Professor
	Mr. Salman Qazi	Assistant Professor
	Dr. Dodo Khan	Lecturer
	Mr. Muhammad Irfan Baloch	Lecturer

	Mr. Syed Abrar Ali Shah	Lecturer
---	-------------------------	----------

	Mr. Zeeshan Ahmed Mughal	Lecturer
---	-----------------------------	----------

	Mr. Akhtar Hussain Soomro	Lecturer
---	------------------------------	----------

	Engr. Mazhar Basheer Arain	Lecturer
--	-------------------------------	----------

	Mr. Masroor Ahmed Nizamani	Lecturer
---	-------------------------------	----------

	Mr. Engr. Mahaveer Rathi	Lecturer
---	-----------------------------	----------

	Miss. Komal Naz	Lecturer
	Dr. Mujeeb-ur-Rehman Jamali	Lecturer
	Mr. Allah Bachayo	Lecturer
	Miss. Pooja Kumari	Teaching Assistant
	Ms. Mehak Ali	Teaching Assistant

	Mr. Faizan ali	Teaching Assistant
	Mr. Muhammad Haibtullah Channa	Teaching Assistant
	Mr. Muhammad Bux	Assistant - Artificial Intelligence LAB
	Miss. Sana Shaikh	Lab Assistant
	Mr. Gul Hassan	Lab Assistant

	<p>Mr. Shahzeb Raza</p>	<p>Lab Assistant</p>
	<p>Mr. Jarar Hussain</p>	<p>Lab Attendant</p>
