

Government College University Hyderabad

Section Quality Enhancement Cell (QEC)

Introduction:

The Quality Enhancement Cell (QEC) at Government College (GC) University Hyderabad is responsible for a systematic and integrated approach for management of university policies, procedures and activities. It aims to elevate a culture of sustainable mechanism of quality assurance at GC University Hyderabad through stake holder's engagement, enduring self-evaluation and ongoing development. The QEC's operations orbit around the quality of teaching, learning, research and management under the umbrella of HEC criterion.

Vision:

To nurture the core values of academic and research excellence in order to evolve GC University Hyderabad into an organization that meets significant national and international quality standards.

Mission:

The Quality Enhancement Cell is committed to foster a sustainable quality assurance mechanism to support the GC University Hyderabad through stakeholder engagement for ongoing process of self-evaluation, monitoring and striving to achieve the highest level of academic and research excellence at national and international level.

Objectives:

- Implementation of the HEC assessment procedures to ensure quality standards for the promotion of academic and research excellence.
- To develop tangible feedback mechanism and carrying out multidimensional analysis of each academic and research programs to ensure the quality assurance for further improvements in policy standards.
- To Act as a co-ordination office between University and national and international organizations for capacity building and training programs.
- To facilitate academic departments to Adopt appropriate standards to get accreditation with relevant accreditation councils.

- Promoting the confidence among society by attaining top ranking among national and international HEIs.

Sustainable Development Goals:

- The Sustainable Development Goals (SDGs) are the world's shared plan to end extreme poverty, reduce inequality, and protect the planet by 2030.
- Adopted by 193 countries in 2015, the SDGs emerged from the most inclusive and comprehensive negotiations in UN history and have inspired people from across sectors, geographies, and cultures. Achieving the goals by 2030 will require heroic and imaginative effort, determination to learn about what works, and agility to adapt to new information and changing trends.
- The UN Foundation focuses on ideas and initiatives that generate larger impact, advance the SDG imperative to "leave no one behind," and are backed by evidence, practical commitments, and action. Individuals, innovations, and actions are helping the planet realize the potential and promise of the SDGs. In this connection, GC University is also striving hard to contribute in the SDGs.
